

Information & Sponsorship Package

In 2007, we held a small Christian music festival on First Presbyterian's lawn in Valparaiso. It featured praise and worship bands. Prayz Dayz was born.

Prayz Dayz 2.0 is a celebration through music and fellowship at Sunset Hill Farm's amphitheatre. The second iteration of the event brings together regional Christian and professional touring groups appealing to an audience of all ages.

Sunset Hill is centrally located to the populous centers of the county and the larger region, with access to major highways, making it easy to attend. The venue provides attendees room to spread out a blanket and enjoy the music. We have activities for the kids, places to play Frisbee or relax under the sun or a shade tree.

We ask you to participate in this family-friendly event by considering sponsorship of one our lead sponsorship levels.

Sponsorship would tie your association of the family-oriented event. We invite you to participate in the event if you would like to have a table/display near the area to share information about organization's support our community and its families.

Christian music festivals have grown into major events in South Bend, Schaumburg, Gaylord, Michigan, Six Flags-Kings Island, Ohio and Lexington, Kentucky. They provide safe environments for all ages to enjoy fellowship as individuals, youth or church groups, friends and families.

Prayz Dayz 2.0's goal is to host an enjoyable experience for participating bands and attendees in order to establish a solid foundation on which to grow the event in coming years. Your company will also be able to take advantage of this experience by playing a role in making the event happen.

This year we are planning for 1,500-2,000 attendees. Beyond the music and the Kids' Activities, we will have Birky's BBQ, Dairy Queen treats as well as the Heinold and Feller "Bags" Tournament.

Every dollar raised during the event will be put to use at CCA to help individuals and families struggling not to lose their home through our Front Door program as well as the families living at Spring Valley who are building a foundation for a better future.

We ask you to consider being a part of Prayz Dayz support. Please contact us for any clarification of information or questions that may arise for your specific needs.

Please contact RG Skadberg (219) 405-3333, rg@cctransforms.org to talk more about the opportunities this partnership can activate to benefit Porter, Prayz Dayz as well as the programs and participants of CCA.

Peace be with you and your families.

"Make a joyful noise unto God, all the earth. Sing forth the glory of His name"

Psalm 66:1-2
