

## Prayz Dayz Street Team

A key to the success of Prayz Dayz is getting the word out and encouraging as many people as possible to participate in the day. It benefits in several ways:

- Bands love performing in front of as many as possible
- More people in attendance means we raise more money for people in need
- It's just more fun to enjoy the fellowship of a lot of people enjoying the day

The purpose of the Prayz Dayz Street Team is to give people a chance to be involved, first-hand with the festival. We want to create a community of people excited about Prayz Dayz who are enthusiastic about spreading the word about the event.

### Who are we looking for?

We are looking for people who want to make a difference in the community and who are enthusiastic about promoting a music festival with meaning to it. Street Team members will contact friends, families, groups, churches and any other place they can think of to build the buzz about the event in the region. They need to be comfortable knocking on doors, asking questions as well as confident in understanding Prayz Dayz as an event and its purpose (we'll give you the info).

### What's in it for Street Team Members?

Depending on how much you put into it, you could earn free tickets to Prayz Dayz, autographs/pictures with the bands, VIP parking, free merchandise and food. It is all up to you as to how much effort you put into promotion and ticket sales.

If you're interested, email [StreetTeam@prayzdayz.com](mailto:StreetTeam@prayzdayz.com) with your name, age, phone number, email, church. You must be 13 or older (if under 18, you'll need parental permission). We'll contact you with information and materials you can begin to distribute. Our goal is to reach as many places as possible with posters, flyers, hand-outs, church bulletin inserts, announcement screens, etc. and encouraging your friends, family and youth group to join us at Prayz Dayz.

*"Make a joyful noise unto God, all the earth. Sing forth the glory of His name"*

*Psalm 66:1-2*
